Parent Testimonial: "I like everything about it. They took the time to talk to me about the programs...how to be more independent. They have the safety, the cleanliness, the air purifier...Most of all, the teachers are so in tune developmentally with the children. They are certified. There is a new activity every time, but there is the consistent entering and good-bye song. They reach all of the children when they teach because they use all of the modalities"

Ready, Set, Grow! Drop-Off ANYTIME Program

Ready, Set, Grow! is a creative arts program that is designed to work with your busy schedule! Available all day during the summer session, RSG may be used before and/or after regularly scheduled classes up to a maximum of 4 hours on site per day, depending on availability. Parent Testimonial: "I love it. It's the best thing that happened to me with a 2yr old and a 1yr old. The facility is top-notch. It is the only place in town you can drop off an 18 month old. To drop off for an hour, it's fantastic."
